

# NEUCHÂTEL CHURCH MAGAZINE - FEBRUARY 2011

*It's happened, folks, our prayers  
have been answered !!!!!*

We're ready to inaugurate our new premises!!

Thanks to excellent collaboration between the Swiss Reformed Church of Neuchâtel and our committee, as from now on, our services will be held at the church in La Coudre.

The church is situated opposite St George's School, for those who know where that is, or almost opposite the funiculaire station to Chaumont for those who don't.

By car from Neuchâtel, follow the road towards La Coudre-Hauterive up past the station. There's a new Migros being built on your right, then the Metalor buildings. Just after this look out for a junction on the right where several roads lead off, so it's a right turn followed by an immediate left into chemin du Crêt-du-Chêne. There are plenty of parking spaces on the pavement on the way up to this junction. The church is at the top of the Chemin-du-Chêne which is a one-way street and parking becomes less easy there. There is a carpark at the funiculaire station.

By bus from La Place Pury, the number 7 runs every 20 minutes on Sundays. Get off at the funiculaire station, La Coudre. This bus can also be picked up at the station.
